Fantasies for the Shy

I'm in on your little secret: you're not quite as shy as I thought! In fact, you've got a fantasy just waiting to come to the flesh. Use this guide to help you put together the perfect elements for your own night, day or weekend of fantasy-fueled passion and intimacy. Don't worry about pleasing anyone other than yourself right now. This is all about you and your fantasies!

The Plot	
The Mood	
The Words and Sensations	
The Pleasure
